

## Year 4 Week 1 English Day 5 - Spicy and Hot Spelling

The following spelling words are taken from the National Curriculum. Please learn to spell this list of words using the sounds 'sc'.

**Task 1:** Use the strategies we have discussed such as look, cover, write, check and writing them as part of a sentence. This time next week, you will need to ask an adult to test you on your spellings.

science

disciple

scene

discipline

descend

fascinate

crescent

scenic

scissors

ascend

**Task 2:** In your Home Learning book, write a sentence using each of the 10 words above in the right context. Think about using ambitious vocabulary and interesting sentence openers. E.g.

*The children thought that the best scene in the play happened when the heroic knight defeated his arch enemy with strength and dignity.*

### Extra practice

You can practise and revise spellings we have already looked at this year (Year 3-6 national curriculum lists) at <https://spellingframe.co.uk/>
